FOR IMMEDIATE RELEASE

Pharos Energy plc
("Pharos" or the "Company" or, together with its subsidiaries, the "Group")

Response to Press Speculation

Pharos Energy plc ("Pharos") notes the recent press speculation regarding its interest in the acquisition of Royal Dutch Shell plc's ("Shell") upstream portfolio in the Western Desert in Egypt. Pharos confirms that it is participating in the process for the purchase of these assets as part of a consortium and is in the preliminary stages of its evaluation.

The Board remains committed to its strategy of delivering sustainable long-term growth, and our strategic ambition is to deliver value for all our stakeholders through the responsible management of our current portfolio and the careful selection of growth opportunities. The Board evaluates M&A opportunities with reference to strict strategic, financial and operational criteria. Any transaction will be pursued only if the Board determines it to be in the best interest of stakeholders and will be subject to shareholder approval.

There can be no certainty that any proposal will be made to Shell or that any transaction will occur. Pharos will update the market as and when it is appropriate to do so.

Notes to editors

Pharos Energy is an independent oil and gas exploration and production company with a focus on sustainable growth and returns to stakeholders, headquartered in London and listed on the London Stock Exchange.

Pharos has production, development and exploration interests in Egypt, Israel and Vietnam.

In Egypt, Pharos holds a 100% working interest in the El Fayum oil Concession in the low-cost and highly prolific Western Desert, one of Egypt's most established and prolific hydrocarbon basins. It is operated by Petrosilah, a 50/50 JV between Pharos and Egyptian General Petroleum Corporation (EGPC). Pharos is also an operator with a 100% working interest in the North Beni Suef (NBS) Concession which is located immediately south of the El Fayum Concession.

In Israel, Pharos together with Cairn Energy plc and Israel's Ratio Oil Exploration, were successful in their bid for eight blocks in the second offshore bid round in Israel. Each party has an equal working interest and Cairn is the operator.

In Vietnam, Pharos holds a 30.5% working interest in the Te Giac Trang (TGT) Field in Block 16-1, which is operated by the Hoang Long Joint Operating Company. Block 16-1 is located in the shallow water Cuu Long Basin, offshore southern Vietnam and a 25% working interest in the Ca Ngu Vang (CVN) Field in Block 9-2, which is operated by the Hoan Vu Joint Operating Company. Block 9-2 is located in the shallow water Cuu Long Basin, offshore southern Vietnam. Pharos also holds a 70% interest in and is designated operator of Blocks 125 & 126, located in the moderate to deep water Phu Khanh Basin, north east of the Cuu Long Basin, offshore central Vietnam.
