Dear Shareholder,

**ANNUAL GENERAL MEETING**

The Company's Annual General Meeting will be held at The Bulgari Hotel, 171 Knightsbridge, London SW7 1DW on 9 June 2016 at 10.00 a.m. The Notice of Meeting follows in Appendix II to this letter, and sets out the business to be transacted. An explanation of each of the resolutions also follows in Appendix I to this letter. Accompanying this letter is a copy of the Company's Annual Report and Accounts for the year ended 31 December 2015.

**ACTION TO BE TAKEN**

A proxy form for use by shareholders in connection with the Annual General Meeting is enclosed. Whether or not you propose to attend the Annual General Meeting you are requested to complete and return the proxy form in accordance with its instructions so that it arrives no later than 48 hours before the time appointed for holding the Annual General Meeting. If you complete and return the proxy form, you can still attend and vote at the Annual General Meeting in person if you wish.

**RECOMMENDATION**

Your Directors consider that the proposals outlined are in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors recommend that you vote in favour of the resolutions to be proposed at the Annual General Meeting, as they intend to do so in respect of their own beneficial holdings, which amount to 61,528,338 ordinary shares representing approximately 18.54 per cent. of the current issued share capital of the Company (excluding treasury shares) on the date of this letter. In making their recommendation, each Director being proposed for reappointment abstains in relation to the resolution for their own reappointment.

Yours sincerely,

**Rui de Sousa**  
Chairman

## APPENDIX I

### Explanation of the resolutions to be proposed at the Annual General Meeting (“AGM”)

**(a) Resolution 1: To Receive the Annual Report and Accounts**

This resolution is to receive the Annual Report and Accounts for the year ended 31 December 2015 including the Strategic, Directors’ and Auditors’ Reports and the Directors’ Remuneration Report (“the Report and Accounts”), accompanying this circular to shareholders.

**(b) Resolution 2: To Declare a Dividend**

The Board has recommended a final dividend of 2 pence per ordinary share, which amounts to approximately \$9.5 million and which, if approved at the AGM, will be paid on 17 June 2016 to shareholders on the register at the close of business on 27 May 2016.

**(c) Resolution 3: Approval of the Directors’ Remuneration Report**

This resolution seeks shareholder approval for the Directors’ Remuneration Report (excluding the part containing the summary of the Directors’ Remuneration Policy), which can be found on pages 50 to 59 (inclusive) of the Report and Accounts. The Directors’ Remuneration Report gives details of the implementation of the Company’s current remuneration policy for the Directors in connection with their performance and that of the Company during the year ended 31 December 2015. This vote is advisory and will not affect the way in which the pay policy has been implemented. If the resolution is not passed the Directors would be required to put a new Directors’ Remuneration Policy to a shareholder resolution at the AGM in 2017.

The Directors’ Remuneration Policy on pages 51 to 52 (inclusive) of the Report and Accounts was approved at the AGM in 2014 and remains in effect for three years from this date before it must be put back to shareholders. Accordingly, the Company will be required to propose a resolution to approve the Directors’ Remuneration Policy at the AGM in 2017.

The Company’s Auditors during the year, Deloitte LLP, have audited those parts of the Directors’ Remuneration Report required to be audited and their report may be found on pages 60 to 63 of the Report and Accounts.

**(d) Resolutions 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13: Reappointment of Directors**

These are resolutions for the reappointment as Directors of Rui C de Sousa, Edward T Story, Roger D Cagle, Cynthia B Cagle, Robert G Gray, Olivier M G Barbaroux, Ettore P M Contini, Marianne Daryabegui, António V Monteiro and Michael J Watts who retire at this AGM as explained on page 36 of the Report and Accounts, and are being proposed by the Board for reappointment. John C Norton and Robert M Cathery are not standing for re-election and will retire at the conclusion of this AGM.

The reappointment of each Director is recommended by the Board in consideration of the results of their individual performance evaluation and demonstration of their commitment and effectiveness as confirmed by the Chairman in respect of the Non-Executive Directors and by the Senior Independent in respect of the Chairman. Biographical details of the Directors are set out on page 35 of the Report and Accounts.

**(e) Resolution 14: Reappointment of Auditors**

This is a resolution to reappoint Deloitte LLP as Auditors of the Company to hold office from the conclusion of this AGM until the conclusion of the next AGM at which accounts are laid before the Company.

**(f) Resolution 15: Auditors’ Remuneration**

This resolution is to authorise the Audit and Risk Committee, for and on behalf of the Directors, to agree the Auditors’ remuneration.

**(g) Resolution 16: Directors’ Authority to Allot Securities**

Your Directors may allot unissued shares, or grant rights to subscribe for or convert any security into shares in the company, only if authorised to do so by shareholders. The Directors were so authorised at the Company’s AGM in 2015, with such authorisation to expire at the conclusion of this AGM.

Resolution 16 will be proposed as an ordinary resolution to grant new authorities (in substitution for all existing authorities) to allot: (a) shares, or grant rights to subscribe for or convert any security into shares, up to an aggregate nominal amount of £5,532,577 (representing 110,651,540 ordinary shares of £0.05 each), and (b) equity securities up to an aggregate nominal amount of £11,065,155 (representing 221,303,100 ordinary shares of £0.05 each), as reduced by the nominal amount of any shares issued under resolution 16(a), where the allotment is in connection with a rights issue.

In accordance with guidance issued by the Investment Association, these amounts represent approximately one third and approximately two thirds respectively of the total issued ordinary share capital of the Company (excluding 9,122,268 treasury shares of £0.05 each which represent 2.75 per cent. of the total ordinary share capital in issue excluding treasury shares) as at 11 April 2016, the latest practicable date prior to the publication of this Notice of Meeting.

If granted, these authorities will expire at the AGM in 2017 or on 30 June 2017, whichever is the earlier. The Directors have no present intention of issuing shares pursuant to this authority, except under resolution 16(a) to satisfy the exercise of options under the Company’s employee share option schemes, but the Directors wish to ensure that the Company has maximum flexibility in managing the Company’s capital resources.

**(h) Resolution 17: Disapplication of Pre-emption Rights**

Your Directors are also seeking to renew the existing authority from shareholders to allot equity securities or sell treasury shares where they propose to do so for cash and otherwise than to existing shareholders pro rata to their holdings. Resolution 17 will be proposed as a special resolution to grant such authority.

Resolution 17(b) allows the Directors to issue up to 33,195,464 ordinary shares of £0.05 each for cash without having first to offer the shares to existing shareholders. This number represents approximately 10% of the issued share capital of the Company (excluding treasury shares) as at 11 April 2016 (the latest practicable date before publication of this notice) and is in line with the Pre-emption Group's Statement of Principles, as updated in March 2015 (the "Statement of Principles").

In exercising this power, the Directors intend to adhere to the provisions in the Statement of Principles and not to allot shares for cash on a non pre-emptive basis pursuant to the authority in resolution 17(b):

- (a) in excess of an amount equal to 5 per cent. of the total issued ordinary share capital of the Company excluding treasury shares; or
- (b) in excess of an amount equal to 7.5 per cent. of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three year period, without prior consultation with shareholders,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment.

If granted, this authority will expire at the conclusion of the AGM in 2017 or on 30 June 2017, whichever is earlier.

**(i) Resolution 18: Authority for the Company to Buy Back Shares**

This resolution will give the Company authority to purchase its own shares in the market up to a limit of 10 per cent. of its issued ordinary (excluding treasury shares) share capital at 11 April 2016, the latest practicable date prior to the publication of this Notice of Meeting. The maximum and minimum prices are stated in the resolution.

Your Directors believe that it is advantageous for the Company to have this flexibility to make market purchases of its own shares. Your Directors have no present intention for the Company to exercise the authority granted by this resolution, and will exercise this authority only if they are satisfied that a purchase would result in an increase in expected earnings per share and would be in the interests of shareholders generally.

Shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The Company will consider holding repurchased shares pursuant to the authority as treasury shares. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base. Any issues of treasury shares for the purposes of the Company's employee share schemes will be made within the 10 per cent. anti-dilution limit set by the Investment Association.

As at 11 April 2016 (the last practicable date prior to publication of this notice of Meeting), the total number of options over ordinary shares of £0.05 each that were outstanding under all of the Company's share option plans was 2,318,656, which if exercised would represent 0.70 per cent. of the Company's issued share capital at that date (excluding treasury shares). If the Company were to purchase its own shares to the fullest possible extent of its authorities (both existing and being sought) from shareholders, this number of outstanding options could potentially represent 0.88 per cent. of the issued share capital of the Company (excluding treasury shares as at that date).

**(j) Resolution 19: Notice Period for General Meetings**

Under the Act, the Company must pass a special resolution before proceeding to hold general meetings (other than AGMs) on 14 clear days' notice. Resolution 19 seeks the necessary shareholder approval. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

The shorter period would not be used as a matter of routine for general meetings, but only where flexibility is merited by the business of the meeting and is thought to be to the advantage of the Company's shareholders as a whole. In order to call a general meeting on less than 21 days clear notice, the Company must make a means of electronic voting available to all shareholders for that meeting. In the event that the Company were to rely on the shorter notice period, it would intend to explain any departure from the UK Corporate Governance Code in its subsequent annual report and accounts.

## NOTES

### 1. Proxies

Only holders of shares and their proxies or duly appointed corporate representatives are entitled to attend and vote at the Annual General Meeting (“AGM”).

A member is entitled to appoint another person as his proxy to exercise all or any of his rights to attend, to speak and to vote at the meeting. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him.

A proxy need not be a member of the Company. Where a member appoints a proxy other than the Chairman of the meeting, it is that member’s responsibility to ensure that the proxy attends the meeting and acts upon the member’s voting intentions.

A Form of Proxy is enclosed with this notice and instructions for completion are shown on the form. To be valid, Forms of Proxy need to be deposited at the office of the Company’s registrar, Equiniti Limited at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA not later than 10.00 a.m. on 7 June 2016. Completion of a Form of Proxy, or other instrument appointing a proxy or a CREST Proxy Instruction (see note 3 below) will not preclude a member attending and voting in person at the AGM if he/she wishes to do so.

If you wish to register your proxy appointments or vote electronically via the [www.sharevote.co.uk](http://www.sharevote.co.uk) website, see note 2 below. If you are a CREST member and wish to register the appointment of a proxy by using the CREST electronic proxy appointment service, see note 3 below.

### 2. Online voting

Members may register their proxy appointments or vote electronically via the [www.sharevote.co.uk](http://www.sharevote.co.uk) website, where full details of the procedure are given. Members will need the Voting ID, Task ID and Shareholder Reference Number set out on the Form of Proxy. A Form of Proxy lodged electronically will be invalid unless it is lodged at the electronic address specified in this note 2 no later than 10.00 a.m. on 7 June 2016. Alternatively, if Members are registered with the Equiniti online portfolio service “[Shareview.co.uk](http://Shareview.co.uk)”, they can vote by logging on with a User ID and Pin, clicking on the link to vote and follow the on-screen instructions. Members are advised to read the terms and conditions of use carefully.

Electronic communication facilities are available to all shareholders and those who use them will not be disadvantaged. The Company will not accept any communication that is found to contain a computer virus.

### 3. Crest Proxy instructions

If you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual, subject to the provisions of the Company’s articles of association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK and Ireland (formerly CRESTCo) specifications and must contain the information required for such instructions, as described in the CREST Manual (available via [www.euroclear.com](http://www.euroclear.com)). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID RA19) by 10.00 a.m. on 7 June 2016.

For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK and Ireland (formerly CRESTCo) does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

### 4. Documents on display

Copies of Executive Directors’ service agreements and copies of the terms and conditions of appointment of Non-Executive Directors are available for inspection at the offices of Clifford Chance LLP, 10 Upper Bank Street, London E14 5JJ during normal business hours from the date of this Notice of Meeting until the close of the AGM (Saturdays, Sundays and public holidays excepted) and will be available for inspection at the place of the AGM for at least 15 minutes prior to and during the meeting.

## **5. Right to attend and vote**

Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that in order to have the right to attend and vote at the Meeting (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company at 6.00 p.m. on 7 June 2016 or, in the event of any adjournment, at 6.00 p.m. on the date which is two days before the day of the adjourned meeting.

Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

## **6. Corporate members**

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

## **7. Nominated persons**

Any person to whom this Notice of Meeting is sent who is a person nominated under section 146 of the Companies Act 2006 (the "Act") to enjoy information rights (a "Nominated Person") may have a right, under an agreement between him/her and the member by whom he/she was nominated, to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right, under such an agreement, to give instructions to the member as to the exercise of voting rights.

The statements in these notes of the rights of members in relation to the appointment of proxies do not apply to Nominated Persons. Those rights can only be exercised by members of the Company.

## **8. Questions**

Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:

- (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information,
- (b) the answer has already been given on a website in the form of an answer to a question, or
- (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

## **9. Website**

A copy of this notice, and other information required by section 311A of the Act, can be found at <http://www.socointernational.com>.

## **10. Website publication of audit concerns**

Under section 527 of the Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:

- (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or
- (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act (in each case) that the members propose to raise at the AGM.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

## **11. Circulation of resolutions and inclusion of other matters**

Under Section 338 and Section 338A of the Act shareholders meeting the threshold requirements in those sections have the right to require the Company (i) to give to shareholders of the Company entitled to receive notice of the AGM notice of a resolution which may properly be moved and is intended to be moved at the AGM and/or (ii) to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than Wednesday 27 April 2016, being the date six clear weeks before the AGM, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

## **12. Total number of shares and voting rights**

As at 11 April 2016 (being the last practicable business day prior to the publication of this Notice of Meeting) the Company's issued share capital comprises 341,076,911 ordinary shares of £0.05, each such share carrying one vote, including 9,122,268 shares in treasury. Therefore, the total voting rights in the Company as at that date are 331,954,643.

## **13. Communication**

You may not use any electronic address (within the meaning of section 333(4) of the Act) provided in this Notice of Meeting (or in any related documents including the proxy form) to communicate with the Company for any purposes other than those expressly stated.
